### ***Reviews***

*Very good e-book and valuable one. It really is packed with knowledge and wisdom I am just very easily could possibly get a satisfaction of reading a created pdf.*

*(Walton Haag)*

## ALCOHOL, ADDICTION AND CHRISTIAN ETHICS

Cambridge University Press. Hardback. Book Condition: new. BRAND NEW PRINT ON DEMAND., Alcohol, Addiction and Christian Ethics, Christopher C. H. Cook, Addictive disorders are characterised by a division of the will, in which the addict is attracted both by a desire to continue the addictive behaviour and also by a desire to stop it. Academic perspectives on this predicament usually come from clinical and scientific standpoints, with the 'moral model' rejected as outmoded. But Christian theology has a long history of thinking and writing on such problems and offers insights which are helpful to scientific and ethical reflection upon the nature of addiction. Chris Cook reviews Christian theological and ethical reflection upon the problems of alcohol use and misuse, from biblical times until the present day. Drawing particularly upon the writings of St Paul the Apostle and Augustine of Hippo, a critical theological model of addiction is developed. Alcohol dependence is also viewed in the broader ethical perspective of the use and misuse of alcohol within communities.
