The writer of the present essay has already acknowl Letters of Ricardo to McCulloch, p. 153. Ibid. , p. 132. Letters to McCulloch, p. 153. This shows that Ricardo was not satisfied in principle with his treatment of the value of scarcity goods. edged his indebtedness to Professor von Wieser for suggestion of the means of interpreting the main lines of the history of the labor theory. Professor von Wiesers terse judgment of Ricardos writings on value is contained in the following sentences: rWhat, then, did Ricardo attempt His whole endeavor exhausted itself in trying to show that the philosophical and the empirical theories of Adam Smith--both of which, indeed, in taking up this position he had to clear and carry further--did not contradict each other so much as at first sight would appear. 1 The manner of putting this is...
