Reviews

A really awesome publication with perfect and lucid reasons. I was able to comprehend every thing using this published e pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

THE ENCHANTED SCREEN: THE UNKNOWN HISTORY OF FAIRY-TALE FILMS (HARDBACK)

DOWNLOAD

Taylor Francis Ltd, United Kingdom, 2011. Hardback. Book Condition: New. 256 x 176 mm. Language: English . Brand New Book. The Enchanted Screen: The Unknown History of Fairy-Tale Films offers readers a long overdue, comprehensive look at the rich history of fairy tales and their influence on film, complete with the inclusion of an extensive filmography compiled by the author. With this book, Jack Zipes not only looks at the extensive, illustrious life of fairy tales and cinema, but he also reminds us that, decades before Walt Disney made his mark on the genre, fairy tales were central to the birth of cinema as a medium, as they offered cheap, copyright-free material that could easily engage audiences not only through their familiarity but also through their dazzling special effects. Since the story of fairy tales on film stretches far beyond Disney, this book, therefore, discusses a broad range of films silent, English and non-English, animation, live-action, puppetry, woodcut, montage (Jim Henson), cartoon, and digital. Zipes, thus, gives his readers an in depth look into the special relationship between fairy tales and cinema, and guides us through this vast array of films by tracing the adaptations of major fairy tales like Little Red Riding Hood, Cinderella, Snow White, Peter Pan, and many more, from their earliest cinematic appearances to today. Full of insight into some of our most beloved films and stories, and boldly illustrated with numerous film stills, The Enchanted Screen, is essential reading for film buffs and fans of the fairy tale alike.
