Reviews

The most effective publication i at any time go through. This is certainly for all those who statte that there had not been a worthy of looking at. Its been printed in an extremely straightforward way which is merely soon after i finished reading this publication where basically changed me, change the way in my opinion.

But where do we acquire the education and skills to achieve this? In this book, Chasing Humble Confidence, Gayle Tape shares life skills from her personal experience, coaching and training. Learn to channel your competitive nature into a positive game plan, from someone who has lived it. Get answers to questions such as: * Does competition develop or destroy? * How can I improve my self Image? * What is the difference between confidence and conceit? * How can I learn to compete only with myself? * Which mentors are worthy of my attention? Sometimes we tend to focus on the destination and miss the journey. Realizing your potential is a never ending task, so don t be afraid to take the first step and enter the race. Discover how to change your attitude, become an eternal optimist and bring out the best! I Corinthians 9:24 Do you not know that those who run in a race all run, but one receives the prize? Run in such a way that you may obtain it.
