# INDIGENOUS KNOWLEDGE OF FARMING IN NORTH INDIA

Foundation Books in association with Centre for Environment Education, New Delhi, India. Paperback. Book Condition: New. First Edition. It is now widely recognised that agriculture can benefit when indigenous technical knowledge of farmers or ITK is reclaimed and integrated with modern farming practices. ITK is derived from local culture, traditions and long-term human interaction with the environment. It needs both documentation and conscious promotion for a more sustainability oriented perspective in agriculture. The book aims to document ITK in agriculture...

## Reviews

---

*This pdf may be really worth a read, and superior to other. It generally does not price too much. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- **Dylan Schaden**

*This pdf is fantastic. It typically is not going to price too much. You will not truly feel monotony at at any time of your own time (that's what catalogs are for about if you request me).*

-- **Leslie Reinger**

*A must buy book if you need to adding benefit. I am quite late in start reading this one, but better then never. Its been designed in an exceptionally easy way in fact it is only after i finished reading this publication where in fact modified me, alter the way in my opinion.*
