By Wilde Professor of Mental Philosophy John Campbell

Createspace, United States, 2014. Paperback. Book Condition: New. 234 x 156 mm. Language: English . Brand New Book ***** Print on Demand *****.There must be more to life than the relentless toil to replenish the bank account. That is the theme of Escaping Britain. Many of us dream of packing up and setting off into the sunset to find a new life; Campbell and his family did it. Campbell had simply had enough of the stifling political correctness that was gripping Britain. The tipping point was a run-in with his bank's new fangled financial advisors, intent of squeezing every last penny out of him, followed by a meeting with some troublesome clients. Campbell and his family sold up, bought a tent, and drove off to find a new life. Here he documents their travels through France and Spain, sampling the wonderful cuisines and cultures, and his journey of self-discovery. Funny, entertaining, and enlightening.
