Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Alex and Tom are just schoolboys who do not have much knowledge about cycling. What they do have is a huge summer holiday to fill. Armed with some overly packed bicycles and no training they waved bye to their parents and set off to cycle 3000 kilometres around Europe, to raise money for the MS society. They aimed to cycle their bikes through 8 countries, meeting new people and seeing the world from a different perspective. However with crashes, infestations, and being eaten alive they are faced with a much harder task in order to make it home. Alex and Tom managed to raise over GBP3000 for the MS Society during their cycle. This book will enable them to carry on this effort, as GBP1 from every book will be donated to the MS Society.
