Reviews

Unquestionably, this is the greatest job by any author. It really is simplistic but shocks inside the fifty percent in the book. I am just pleased to inform you that here is the greatest book i actually have go through within my own existence and could be he greatest ebook for at any time.

Hence, the series of Historical Gleanings, which appeared in the REPUBLIC during the few weeks preceding the meeting. It was believed that while there were a few of our older citizens to whom the events were a memory, yet the later generation were, for the most part ignorant of them, and likely to remain so, inasmuch as the accounts of them which have been preserved are scattered through various county histories, local sketches and pamphlets, which are not accessible to the general public without more trouble than most persons would be willing to take. It was thought, therefore, that it would be a good thing to gather up the facts and incidents and to weave them into a connected narrative, which would post all who desire it in the history of this region fifty years ago. Some of our friends have flattered us with the suggestion that they were worthy of re-publication in a more convenient form for preservation. We only claim for them that they are gleanings, although considerable has been obtained by personal conversation and correspondence with living survivors, who were actors and sufferers in the events narrated. Wherever we have found a statement bearing upon the subject we have appropriated it without a scruple, giving, generally, the source of information....
