

Task Design. Who killed the boss - a murderous task

Filesize: 4.44 MB

Reviews

Simply no phrases to clarify. It is really basic but surprises from the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

GRIN Verlag Okt 2008, 2008. sonst. Bücher. Book Condition: Neu. 207x144x1 mm. This item is printed on demand - Print on Demand Neuware - Seminar paper from the year 2007 in the subject English - Discussion and Essays, grade: 1, University of Auckland (Department of Applied Language Studies and Linguistics), course: Task-based Language Teaching, 9 entries in the bibliography, language: English, abstract: Introduction When our group was discussing the level of proficiency and the interests/preferences of the learners that would work on our task, we came to the conclusion that a thrilling story with interpersonal conflicts would be perfectly suitable. I started off with the first chapter and passed it on to the next person, who then added chapter two, introducing a new character to the plot. As we had five people in our group, the final story consists of five paragraphs and five different characters. Each of us comes from a different cultural background, which gives the story different perspectives. When I started with the first chapter I did not imagine the end to be as it is now. I was geared to French and Scandinavian thrillers, and therefore made my character come alive from a European viewpoint. Chapter three, four and five were written by our female, Asian group members, whose view of relationships and dilemmas are very different from mine. Their focus lies in double-faced characters, responsibilities towards family members and the burden of a student or working life. Chapter two was produced by the only native English speaker of our group, as can be seen by his use of vocabulary and sentence structure. This chapter also describes the most complex relation between people, with a third, nameless player entering the stage. Personal and literal experiences have had distinct influences on us and hence, a diverse outcome...
