Brand New Book ***** Print on Demand *****.Seventeen-year-old Sarahs father went on a business trip to New York a normal man, and returned home a Mormon. Sarahs mother was irate, to say the least, at his conversion, and further angered by his announcement that they were moving to the Great Basin to live with the other Saints. Much to her shock and dismay, she discovered they would be joining the first-ever experimental handcart company, and pulling a cart across the Mormon Trail to their new home. Little did Sarah realize, that halfway across Nebraska, her father would lose his life and her mother would fall apart. The books take place not only with the first handcart company, but also with Johnstons Army, the Utah War, Camp Floyd, the Pony Express, and other events in Mormon history. See how these events take place in the broader scope of United States History. Also watch for the following books of the series, Steve and Sarah, Johnstons Army,...
