Brand New Book ***** Print on Demand *****.2,500 years ago, the Chinese sage, Confucius, observed that all governments follow a cycle: from unity, through prosperity to stagnation, then to collapse and anarchy. He taught that when government officials sought personal power or wealth instead of taking care of the people, society lost the Mandate of Heaven and fell apart. By Mandate of Heaven, Confucius meant that God Himself had directed how society should work. Chinese history shows 15 or 20 collapses when government lost virtue and the country broke apart in civil war, but whenever the Chinese followed Confucius rules, Chinese society worked well. From his day to ours, civilizations all over the world have followed the same cycle Confucius observed. Today s United States is well into the stagnation phase and many observers predict a collapse. But America has an advantage Confucius never imagined. Unlike the Chinese, America s voters have the power to replace their rulers and reform their government without armed revolution. The Taylors wide-ranging tour through history, culture, and modern news sheds new light on how the past both predicts the future and can be used to alter it for the better. About William Taylor - William Taylor s parents were American missionaries to Japan right after the Second World War. The Japanese had learned the secrets of civilization from the Chinese, so Confucian ideas were thick on the ground. Until he entered MIT in 1963, Mr. Taylor watched the Japanese use Confucian virtue to bootstrap themselves to first-world status. There were no Japanese cars on American roads in 1963 and next to no cars on Japanese roads. Cars move faster than bicycles; he was hit by...
