Fifty Foods That Changed the Course of History

By Bill Price

Apple Press. Hardback. Book Condition: new. BRAND NEW, Fifty Foods That Changed the Course of History, Bill Price, Food plays a central role in our lives: it is a necessity for all of us, a pleasure for many and an obsession for a few. Throughout our history, we have shaped the foods we eat, but, in Fifty Foods That Changed the Course of History, we look at how it has shaped us by discussing fifty different foodstuffs which have, in one way or another, changed the world. We begin with our ancient ancestors, the hunters and gatherers who first migrated into Europe 45,000 years ago, and continue right up to the present day, to the food riots which swept through many countries in the wake of the 2008 global financial crisis, and then on into the future by discussing the potential of golden rice, the first genetically modified food developed for the good of humanity rather than solely for profit. In between, we look at, among others, how the trade in olive oil in Ancient Greece had a dramatic impact on its landscape, still apparent today, and how the European taste for sugar in the seventeenth and eighteenth centuries drove...
