MY SIXTY YEARS ON THE PLAINS: TRAPPING, TRADING, AND INDIAN FIGHTING (PAPERBACK)

DOWNLOAD

Skyhorse Publishing, United States, 2015. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book. In these days, when the experience of living right up against nature is fast becoming a thing of the past, the story of the mountain men is of special interest. These pioneers as a class were unique. Life itself had little value in their estimation. They were adventurous and fearless men, who pushed the boundaries of what it meant to be alive and thought nothing of laying down their lives in the service of a friend. There was a brotherhood in which one man's life was entirely at the service of any of its members, regardless of friendship or even of acquaintanceship. Often equipped with nothing but their skill and endurance, a horse, a gun or two, and enough provisions to see them until tomorrow, they set out to make their way through a vast wilderness that held all the terrors of the unknown. William Bill Hamilton recounts his life as a free trapper and mountain man in the last days of their remarkable time. Hamilton's writing is simple and straightforward, a mirror image of the man himself. If you want an excellent autobiography of a hard man who trapped the creeks and streams of the far West, lived with and fought against Indians, and helped settlers come west to make a new life, this is the book for you. Drop that paperback Western and pick up the real story--history with the bark still on it. Skyhorse Publishing, along with our Arcade, Good Books, Sports Publishing, and Yucca imprints, is proud to publish a broad range of biographies, autobiographies, and memoirs. Our list includes biographies on well-known historical figures like Benjamin Franklin, Nelson Mandela, and Alexander Graham Bell, as...
