A very wonderful pdf with perfect and lucid explanations. This can be for those who stutte that there had not been a worth reading. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Students not in attendance at the close of the preceding term should report to the Secretary of the Faculty for reinstatement. It is important that this regulation be observed by graduates desiring to enroll for additional work, or to enter departments other than those from which they graduated; otherwise they may not be advantageously placed, and confusion may arise as to the credit to which they are entitled. After the day designated in the calendar for registration on the opening of any term, no student will be enrolled without the permission of the President. A fee of \$2.00 for late admission will be required, unless the President has been previously informed of satisfactory reason for the delay.
