AVA THE JOURNEY FROM TIANYA

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 146 pages. Dimensions: 8.5in. x 5.5in. x 0.4in. Book One of The Ava Trilogy. Ava: The Journey from Tianya has a rich story line that will stir the imagination. It is a captivating tale of what happens in the world of Ava, when wingless fairies are born in Nadisia. Fear breaks out, and a frightened queen is forced to banish these wingless fairies, called feeties, to the outer forests. In just such a forest stood Tianya, the home of a seemingly wingless thirteen year old fairy named Ricka. She struggles with the shame of only having one wing and of feeling different. After the gyblics burn down her forest she is swept into an adventure with her sister, Sora, a warrior named Lumas, and their friends, Vin and Roak. The group journeys their way to the city of fairies, where Rickas identity and secret wing once revealed will bring hope to all who live on Ava. Ava: The Journey from Tianya is the first book in The Ava Trilogy. The second book, Ava: The Quest for Finny, is available in both print and Kindle format. Although this book was primarily written for ages 9-14, it makes a good read for anyone who is young at heart, and is sure to become a beloved classic. For updates and author info, go to [www.
