Reviews

*Absolutely one of the best book I have ever study. It is actually writter in simple terms rather than confusing. I realized this pdf from my dad and i suggested this pdf to understand.

HOW TO PRACTISE DRUMS (PAPERBACK)

DOWNLOAD

Createspace, United States, 2013. Paperback. Book Condition: New. 192 x 124 mm. Language: English . Brand New Book ***** Print on Demand *****. How To Practise Drums - A drum education book for beginners, intermediate and advance drummers and a great drum gift is a drum book aimed at all levels of drummers. I have put all my drum practise tips together in one handy book. There is no filler and the latest edition (Released Dec 2013) has even more helpful advice included. The kind folks at Rhythm Magazine asked me to write an article on the subject after they read this book and appreciated the value it would bring to all drummers. I have taken to heart comments that were made on the first edition, expanded on some ideas and even given a detailed break down of a weekly drum practise schedule for beginners, intermediate and advanced drummers. Though these are just guidelines as you will understand how to create your own custom practise routine once you have read the book. Other topics that are covered include finding more time to practise, the importance of a practise diary and the importance of a drum teacher. The book also includes links to have direct contact with me so if you have any questions or need help with any part of your drumming please contact me and I ll do my best to help you out. Below are a few quotes from the happy people who have read my book How To Practise Drums - A drum education book for beginners, intermediate and advance drummers and a great drum gift . I hope to see you honest reviews once you have read the book. Great and concise. Sometimes it takes plain speaking to make you realise the obvious. Cheers Kyle, my...
