While scholars disagree on the causes for the fall of the dominant party during the 'perfect dictatorship' (compare Olney 2002, Harvey and Serrano 1994 and Rivera 2008) they mainly agree on a shifting trend away from an autocratic regime structure towards a more democratic, multi-party system (for a critique see Olney 2002). Interestingly, the term 'democracy' has been avoided by all scholars which my sources referring to, although they point out that the PRI was able to represent the main social cleavages within the Mexican society with the help of corporatism, clientelism, factionalism and elite consensus (see Olney 2002, Klesner 1997 and Rievera 2008). Therefore it is reasonable to question if the PRI's 'perfect dictatorship' can be...
