

Historical Evidences of the Old Testament (Classic Reprint) (Paperback)

Filesize: 9.08 MB

Reviews

The book is fantastic and great. It is filled with wisdom and knowledge I am just easily will get a enjoyment of looking at a composed publication.

(Bradley Hahn)

HISTORICAL EVIDENCES OF THE OLD TESTAMENT (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from Historical Evidences of the Old Testament Four new writers contribute to this, the fifth volume of the Present Day Series, viz., Dr. J. Murray Mitchell, for many years engaged in missionary service in Bombay, who treats very fully and with ample knowledge, the sacred books and religious system of the Parsis, and contrasts this ancient faith with Christianity; Professor Godet, of Neufchatel, who conclusively proves that the Fourth Gospel was written by St. John, the beloved Apostle; Dr. Conder, who discusses the Origin of the Hebrew Religion, and shows from a survey of its characteristics, as exhibited in the Old Testament records, that it could not be a product of evolution, but must be supernatural and divine in its origin; and Mr. Iverach, who grapples with, and refutes in a most masterly way, the fundamental position of Mr. Herbert Spencer, the acknowledged Apostle of Agnosticism, and shows the utter unreasonableness of this widespread and most mischievous philosophy. An earlier Tract in the Series - Agnosticism: a Doctrine of Despair, by Dr. Noah Porter - showed in a very impressive manner the practical tendencies of the system as destructive of hope for science, for individual and social well-being and progress, and for the future. The one contained in this Volume exposes thoroughly the metaphysical errors and assumptions on which the whole fabric of Agnostic philosophy is reared. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
